The Students counseling committee attempts to address the day to day issues of concern relating to academics and routine activities.

OBJECTIVES:

- To provide a support system for the students to address the major academic related issues.
- The Counseling Committee encourages the students to understand themselves and the issues that trouble them and guides them to resolve their problems. These problems can be personal, emotional, social, family, peer, academic, sexual, etc.
- School counsellors can guide the students in choosing the right career based on suitable aptitude tests.
